

EVOKE'S

Christmas Highlights

Launchpad

Launchpad Donations

Evoked staff collected donations for Launchpad - Reading's leading homelessness preventing charity. We are happy to be able to support local charities and people struggling at this time

Reading Office Move

Our Reading Office has moved! At the beginning of December, we moved into a larger office in Impact Working in the R+ Building. Here's a sneaky peak, but keep your eyes peeled for more in the New Year

Secret Santa

The elves organised the annual Secret Santa, however this year it had a twist. All gifts were purchased from charity shops. While some presents were questionable, at least we knew the money went to good causes

Team Christmas Lunch

The whole Evoke team enjoyed a Christmas meal at The Cornstores in Reading, while opening our pressies! Even the train strikes couldn't stop us from celebrating a very successful year all together
